Re: 1967 N. Kingsbury

To Whom It May Concern:

Alloy Property Company 2, LLC is proposing a drive-through facility located 1967 N. Kingsbury Street, Chicago, Illinois.

The project will require participation of trades such as carpentry, electrical, mechanical, plumbing, paving, roofing, and others. In accordance with the Mayor's Executive Order, we are committed to identifying items in the construction budget available for participation by MBE's and WBE's and for participation by City and 2nd Ward residents.

No general contractor has been selected for the project yet. If you are interested, our team is available to meet with a representative of your organization to review and discuss the project budget and schedule. We will also provide your organization and interested members with a copy of the project bid documents (including plans and specifications). We encourage you to make your organization and membership available to meet to discuss.

We hope you will make your member companies aware of this project so that they may submit bids for appropriate subcontracting opportunities. Should you have any questions, please do not hesitate to contact me at (312) 202-3455.

Sincerely,

*Keiana A. Barrett*
