Brandon Avenue**

Dear Sir or Madam:

Epic Academy is seeking to retain Minority and Women-Owned Business Enterprises, as certified by the City of Chicago or Cook County, to work on the development of 8205 - 8259 S. South Shore Drive, 3134 - 3158 E. 83rd Street and 8232-8258 S. Brandon Avenue. Epic Academy proposes to renovate an existing 4 -story 26,000 square foot building, demolish a total of 4 existing buildings, and construct an approximately 40,000 square foot addition to the existing building. The project will be a total of approximately be 67,000 square feet for the new school and will provide 17 parking spaces for the new school. Planning for the school development includes but is not limited to new classrooms, lunchroom and gymnasium. The height of the addition will be 75 feet, consistent with the height of the existing 4-story building.

The construction of this project is anticipated to require participation of the construction trades and professional services related to the construction phase.

Please forward this opportunity to all members of your organization and direct them to contact our inclusion team at Inclusion@urban-resolve.com if they wish to be considered for this project.

Thank you in advance for your assistance.

Sincerely,

Inclusion Team
