**Re: Minority and Women-Owned Business Enterprise Participation
Illinois Masonic Medical Center Advocate Campus**

Dear Chicagoland Associated General Contractors:

Turner Construction has been selected as the construction manager for the new construction of Center for Advance Care West Expansion & Bed Tower at the Illinois Masonic Medical Center Advocate Campus.

The phased project, 41 months between the two phases, includes the westward expansion of the existing 3-story Center for Advocate Care (CAC) and vertical 5-story overbuild over the existing and westward CAC totaling 344,000 SF. The building will provide the following healthcare services: 1st Floor Breast Imaging / 3rd 6 Operating Rooms, 4th Floor Mechanical, 5th Birthing Center / NICU Patient Floor, 6th ICU/Med-Surgery Patient Floor, 7th Med-Surgery Patient Floor, 8th Med-Surgery Patient Floor and 9th Floor Mechanical.

Please forward this update to all your members of your organization and direct them to follow-up with our team to learn more information, zstewart@tcco.com.

Thank you in advance for your assistance.

Sincerely,

Pamyla L. Brown
Senior Director, Community & Citizenship
